Performance note: Violins left to centre of conductor, Violas/Celli centre to right, Double Bass far right. "Bridge of Bows" reflects Estonian composer Arvo Part's 'Cantus' tribute to Benjamin Britten, being written for the same forces: string orchestra and bell. The bridge is portrayed in the arch shape of the piece. A quiet introduction (based on the notes for B-E-N) leads to the main section, in which reference to Britten's "Alleluia" from Noye's Fludde, the herald of the appearance of the rainbow, can be heard. A central rhythmless passage for each string player, playing independently, brings the music back to the main section and a short jubilant coda. The bell chimes exactly 100 times to celebrate 2013 as the centenary year of Benjamin Britten's birth.
